Date: Monday, December 3rd, 2012
12:00 PM – 1:00 PM

Title: “Comparative effectiveness of nurse practitioners and physicians in primary care of the elderly”

Speaker: James S. Goodwin, MD
George and Cynthia Mitchell Distinguished Chair of Geriatric Medicine,
Department of Internal Medicine, Division of Geriatrics
Director, Sealy Center on Aging
The University of Texas Medical Branch, Galveston, TX

Dr. Goodwin has disclosed no relevant financial relationships. No one else in a position to control the content of this activity has any financial relationship(s) to disclose.

Learning Objectives: At the conclusion of this presentation, participants should be able to:
1. Distinguish the limitations of observational trials in determining causal relationships.
2. Understand the current limitation in the US on nurse practitioner practice.
3. Choose optimal models of primary care for long term care patients.

Location: HPNP Building - Classroom G301
101 S. Newell Drive
Gainesville FL 32611

Directions: Classroom is on the ground floor of the HPNP building, west of the lobby.
