“Biological Aging Biomarkers and Chronic Pain in Older Adults”

Presented by

Yenisel Cruz-Almeida, Ph.D.

Tuesday, March 19, 2019
12:00 pm to 1:00 pm

UF Clinical Translational Research Building, 2004 Mowry Rd, Room 2161

Lunch provided

Learning Objectives: At the conclusion of this presentation, participants should be able to:

1. Discuss the multidimensional nature of pain and its components.
2. Discuss basic information regarding pain in older adults.
3. Describe potential mechanisms how pain may accelerate biological aging processes.

Dr. Cruz-Almeida has disclosed no relevant financial relationships. No one else in a position to control content has any financial relationship(s) to disclose.
