“Muscle Clocks and Weakness: Clues for Aging?”

Presented by

Karyn A. Esser, PhD

Tuesday, April 6, 2021
12:00 pm to 1:00 pm

Learning Objectives: At the conclusion of this presentation, participants should be able to:
1. Describe the function of the circadian clock
2. Discuss the links between the circadian clock and muscle strength
3. Recognize the contribution of healthy muscle to the system
