

## Approved Department Vehicle Operator Form

Driver's License

In order to operate any Institute vehicle, you must agree to the terms below, and re-certify your agreement once per year, by signing below. A new form must be completed, with a new photocopy of your license every four years, whenever the license expires, or whenever the information contained on the license changes, whichever comes first.

I \_\_\_\_\_ certify that my state issued driver's license (attached) is in good standing and that I have read and agree to abide by all State, University, and Institute regulations regarding vehicle operation. I also agree to report any moving violations, whether in a private or Institute vehicle, to the Institute Vehicle Responsible Party within 24 hours of the offending event. I understand that failure to abide by all of the conditions above may result in the loss of my Institute vehicle driving privileges.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_
